

## EXHIBITION APPLICATION FOR EMERGING ARTISTS

The Northville Art House offers an exhibition wall, measuring 8' x 8', for emerging artists, or artists without significant exhibition experience, to gain the experience of showing their 2D work in a gallery setting. All artwork is required to be appropriately framed and ready to hang **with a wire** or wrapped, ready-to-hang canvas. This exhibition wall also provides emerging artists with an opportunity to sell their work, therefore any included work is encouraged, but not required, to be for sale. The Art House charges a 35% commission on all sales. The duration of Emerging Artist exhibits is usually four weeks, but can run for up to eight weeks. Email us at [exhibits@northvillearthouse.org](mailto:exhibits@northvillearthouse.org) with additional questions.
