Listed below are all of the required supplies for the workshop. Please feel free to email me if you have any questions. Since this is an all day workshop, we will be taking a break for lunch. Please do not forget to bring something to eat and drink with you.

Most importantly, please bring a variety of photo reference from which to choose. I recommend you bring photos that you have taken yourself. If you do not have any images that you have taken, please research copyright free images online that you can print and bring with you. High quality images 5" x 7" and larger are recommended.
