Northville, MI 48167

Dear friends and neighbors,

As a part of the dedicated Northville Art House team, we are committed to furthering our long-standing tradition and mission to cultivate the arts, creative experiences and educational programming in the community. This gathering place is an amazing and unique piece of the fabric of our small town as well as for our neighbors, near and far. Both artists and community members come together here to learn, share ideas and, most importantly during these times, to understand different points of view and improve social well-being.

That's why we are honored and proud to represent a re-imagined Art House, as we celebrate a new chapter and ask you to **join us in being a pART of it!**

Arts organizations that rely heavily on in-person programming have taken a staggering "hit" throughout the COVID-19 crisis. We are no different. Patron, donor, artist and student support made a huge impact on our offerings and success in 2021. We safely hosted more events, classes and exhibits and are coming out of this pandemic stronger than ever - all because of YOU!

Would you consider joining us by making a donation to the Northville Art House to help us reach our goal by December 31, 2021? Double the impact of your donation! A generous donor and friend of the Art House will match all donations made through the end of the year, up to \$10,000! Reaching this goal will enable us to continue our long-standing tradition of excellence, while engaging the artistic community in new and exciting ways!

Once you've made your gift*, you will receive an invitation to the **2022 Donor Appreciation Reception** and a chance to mix 'n' mingle with community members, local artists and community leaders while enjoying an exclusive members-only exhibit opening!

All donors of \$100 or more will also receive an original FREE limited-edition "Be a pART of it" stemless wine glass. \$150 donors and above will receive a pair of glasses and a complimentary Patron Level Membership to the Art House!

"This funky little house in downtown Northville is making a big impact on the region's art scene!"

Thank you for being a pART of big impact in our little house. We can't wait to celebrate with you!

Sincerely,

Erin Maten, Executive Director

Sue Taylor, President, Board of Directors
