

# January 2021 - December 2021

## Year in Review

*Cultivating the arts through creative experiences and educational programs in the community.*

As we look back at 2021, we are amazed by the support we've had from members, donors, community members, businesses, fellow non-profits, and local restaurants. We called on you to '**Be a pART of it!**' and you were! From our Annual Appeal in late 2020 that helped staff to return in January of 2021 and for our doors to remain open, this year we were able to...

- Provide art education with 836 registrations by students through winter/spring/summer/fall classes, workshops and camps, making this the most successful year for registrations in the Northville Art House's history.
- Introduce new juried exhibition and welcome back members' favorites, displaying 1000+ works by 300+ young artists, members, emerging and established local and national artists.
- Showcase our funky little house during Arts & Acts 2021, Painting with Paws, Halloween Art Crawl and a Children's Holiday Shopping Day.
- Start a new summer *Hometown Artist Series* of exhibitions.
- Elevate artists' exhibition receptions with ticketed events called **Live @ 5** with average attendance of 90+ guests. **Live @ 5** brought in live metro Detroit music, local restaurant collaborations such as Sweet Brew'n Café, The Garage Bar and Grill, Northville Sports Den, Genitti's Hole-in-the-Wall, and Chef Richard Simons during each event.
- Welcome new staff, board members, instructors, counselors and volunteers.

### **Thank you for visiting us either in person or virtually.**

The Art House attendance was 3902 visitors with an additional 1875 to our online store and 28,432 to the website.

### **Thank you for your support by becoming a member and for staying connected.**

Current members at the end 2021 were 426 with 3,145 newsletter subscribers and 6206 Social Media followers.

### **Thank you DTE Foundation for the \$10,000 Grant.**

Because of your generosity, Northville Art House has been able to make improvements to our outside grounds, paint classroom, get additional PPE supplies, improve heating, upgrade bathroom exhaust system, add a new secure lock on our back door and apply for a permit towards improving accessibility to our gallery and classroom. (New to 2022)

### **Thank you, Donors! 2021 Annual Appeal.**

104 donors raised \$18,015.00 for the Northville Art House, adding in our matching anonymous donor from this past Fall of \$10,000.00 and several Donors with their own business matching, Bank of America, Kresge Foundation and Toyota brings our total to \$30,115.00...**A full list of all our donors will be on display at the Art House starting next week.** Your support will continue to keep classes running with less students for our student's mental health, creativity and safety and help artists continue to showcase and sell, allowing patrons to marvel and get inspired in their extraordinary artistry with our upcoming eleven exhibitions in 2022. We will once again be able to give art scholarships where needed, continue our outreach in local schools with afterschool art, and bring free creative family art experiences.

### **2022 looks bright!**

We look forward to bringing events and exhibitions back like our 6<sup>th</sup> Annual Young Artist Art Fair this March 19<sup>th</sup> at the Village of Mill Race. Our 34<sup>th</sup> Annual Art in the Sun back in Downtown Northville and welcome Hometown Artist, Dr. Rana Awdish and Friends, this June along with more Live @ 5 Events, creative classes, workshops & summer camps.
